Lower Key Stage 2 Working Scientifically		
	Working at age related expectations pupils will :	Date Triangle assessed
WS1	ask relevant questions and use different types of scientific enquiries to answer them	
WS2	set up simple practical enquiries, comparative and fair tests	
WS3	make systematic and careful observations and, where appropriate, take accurate measurements using standard units, use a range of equipment, including thermometers and data loggers	
WS4	gather, record, classify and present data in a variety of ways to help in answering questions	
WS5	identify differences, similarities or changes related to simple scientific ideas and processes	
WS6	record findings using simple scientific language, drawings, labelled diagrams, keys, bar charts, and tables	
WS7	use straightforward scientific evidence to answer questions or to support their findings.	
WS8	use results to draw simple conclusions, make predictions for new values and suggest improvements and raise further questions	
WS9	reporting on findings from enquiries, including oral and written explanations, displays or presentations of results and conclusions
