Dear Parents Carers,

Hello! My name is Mrs Wood and I will be your child's class teacher when they start school in September.

I wanted to send you a letter to introduce myself, welcome you to Dothill School and tell you how excited I am to meet you and your children.

Due to recent events, we have been unable to visit Nurseries and Pre Schools to meet the children this year, and sadly have been unable to experience our transition mornings where the children spend time in school prior to September to get used to their new surroundings. With this in mind I wanted to let you know that I will be in contact with your child's Nursery or Pre-school via phone to talk about their transitions into school. We would like to get to know the children as well as we can before September so that we can be prepared and plan activities to support a smooth and happy transition. I will also be calling all parents so that you can tell me all about your children and to have a chat about what you can expect when school starts. If I haven't spoken to you already, I will be calling for a chat soon.

Around this time of year we normally give you lots of information in a pack about starting school. We want you to get all the normal information but please keep in mind that due to the ongoing updates and guidance that we receive, some things may be subject to change. There is a folder on our school website with all the information you will need to have a look at before September. This is under the 'Key Information' tab on the school website in a folder called 'Admissions - New Intake Information for September 2020'. Alternatively you can click this link to take you straight to the relevant page

This is a very exciting time for you and your children, it is for us too! We can't wait to welcome you in to school so that we can get to know each other, settle your nerves and enjoy your child's exciting first year in school.

Please find attached a class booklet which will give you some initial information about school and what to expect.

Yours sincerely,
Mrs Wood
