Dear Parents and Carers

We are almost two weeks into lockdown and hopefully you are finding a new routine around learning for your child, whether that is accessing school or whether that is learning from home. We will certainly have at least four more weeks of learning like this depending on further announcements from the Government.

We have attached a document (you can find it on the school website) which outlines our remote learning offer. This is what you can expect from us during the lockdown period and beyond if we should need to close any bubbles in the future.

The document refers to a daily Microsoft Teams face to face session with the class teacher. This is something that we are working very hard on setting up behind the scenes so has not started yet. Hopefully, in the next week, we will be sending you/phoning you with your child's username and password in order to access Teams safely through Telford and Wrekin. Please bear with us on this one!

Another new communication tool that we want to share with you to hopefully, make this difficult time easier is an email address that you can use to contact your child's teacher directly without having to go through the main admin. address.

Contacts are as follows:

Teachers will check this inbox during the school day and will endeavour to respond within 24 hours. Please note that if you are emailing with an urgent enquiry or information you should continue to use a3368@telford.gov.uk

Thank you for your ongoing support and stay safe!
