Head Teacher: Becca Butler

22 September 2021

Dear Parents,

At Dothill Primary school we truly value the importance of reading to develop our children's imagination, curiosity and literacy. This academic year we are going to celebrate all the fantastic reading our children do at home by setting and recording this electronically, using Seesaw.

Please ensure that your child has their Seesaw log on to enable access to the site. If you have any problems with this please contact the class teacher.

Each week, your child(ren)'s teacher will not only be looking at the reading and comments given by parents at home, but also setting reading-based tasks to be completed as part of our weekly homework. Being an important aspect of the school and parent home agreement, we know that parents have enjoyed sharing time for reading with their child(ren) at home and this is a way we can continue to support and record this effectively.

This will be a whole school approach which will be commencing Monday 27th September. You will be able to mark off how many times reading has taken place by the book system which was in place previously. You can also include any comments you may have electronically before submitting the work.

Remember, the children can not only read the books provided by school, but they can also record the reading of their own books and materials at home. We all know how important reading is to children and we are looking forward to learning all about the continued, fantastic reading at home!

The **MORE** that you
READ, the more things
you will **KNOW**.
The **MORE** that you
Learn, the more places
you'll **GO**.

 Reading Revolution

Best wishes

Mr Johnson
Reading Leader
