Dear Parents/Carers,

## Parent Pay Accounts

Thank you so much to those of you who have created themselves a Parent Pay account. I hope you have found that this is working well for you and has improved your ability to stay in control of your dinner money payments.

I wanted to remind you that **EVERY FAMILY NEEDS TO HAVE A PARENT PAY ACCOUNT**. It is a whole school system and is not just used to pay for school dinners. Any school payments in the future will be made through Parent Pay such as school trips and visits etc.

Please be aware that we will not be accepting cash payments for any future events (apart from the Y6 Arthog visit in Feb 23)

In our initial letter about Parent Pay we mentioned that it was possible to get a payment card for your account. We have decided not to offer this option due to the additional cost involved. If you do not have a bank account then please come and talk to the office team and we will look at ways we can help.

Parent Pay will also be used to book events at school and to give permission for children to attend events even when no payment is involved.

We will be trying out our first event on Parent Pay very soon which will be the EYFS/KS1 performance. There will be no cost involved but you will need to book your tickets using Parent Pay. Watch out for the email about this coming soon.

If you have any problems setting up your account then please pop in to the office and the team will do their best to help you.

Best wishes  
Becca Butler
