Telford and Wrekin Music have been delivering instrumental lessons since 2007, teaching a variety of instruments in schools across Telford in small groups and individually. We are delighted to be visiting Dothill Primary School on **Monday 13th November** where the children will enjoy a music themed assembly, finding out about the benefits of learning an instrument and how much fun this can be. We will be available after school to talk to parents/carers about accessing music lessons in school.

Please come to the front of school (delivery room door), **after collecting your child**, where a member of staff will meet you and show you to the hall for discussions with the music team.

Our lessons start at just £28.95 per month via our monthly payment plans which allows the cost to be spread over the academic year. We offer **30 weeks of free lessons** for children eligible to income qualified free school meals in line with the council's remission criteria and **free lessons** for children in care. Places are limited and subject to availability so please ensure you apply as soon as possible.

We look forward to meeting with you.
