Head Teacher: Becca Butler

June 2024

Dear Parents and Carers,

We have been approached by Haberdashers' Adams about an exciting new initiative that they are launching. As you will no doubt be aware, Haberdashers' Adams is a very well-regarded grammar school in Newport.

Haberdashers' Adams have partnered with Atom Learning to provide children who are eligible for pupil premium with a free Atom Home learning account (usual cost £575 per year!). Atom Home covers all KS2 topics in maths, English and science. The account also includes access to personalised SATs resources and 11+ practice for children who are planning to take the grammar school entrance test.

If your child is currently in years 3-6 and has been eligible for income-based free school meals at any point in the last six years, please register via the link below (you do not need to be planning to apply to Haberdashers' Adams to be eligible). As part of the registration process, we will be required to provide proof of eligibility for pupil premium.

Registration link: <https://atomlearning.com/pupil-premium/adamsgs>

This is a fantastic opportunity for your child to access a tailor-made programme that adapts to their current attainment level and although it will support children who are thinking of taking the entrance test, the programme is designed to benefit all children, regardless of whether they are intending to apply to Haberdashers' Adams or not.

Best wishes

Mr Kirkpatrick
