Dear Parent/Carer

Read Write Inc (RWI) Phonics is a proven synthetic phonics programme that ensures early success in reading, writing and spelling. At Dothill we introduce the teaching of phonics from the first weeks in reception and throughout key stage one. We are very pleased with the progress children are making in school with their phonics knowledge and implementing this into their reading and spelling.

Learning to read is the most important thing your child will learn at our school. Everything else depends on it, so we put as much energy as we possibly can into making sure that every single child learns to read as quickly as possible.

We want your child to love reading - and to want to read for themselves. This is why we put our efforts into making sure they develop a love of books as well as simply learning to read. With your help and support your child will learn to read much quicker.

We are offering you the opportunity to purchase set 1, 2 and 3 sound cards to support your child at home. If you purchase the cards you will also receive a booklet that explains how to use the cards and games that you can play with your child using these cards.

If you would like a set of cards to support your child with their reading, spelling and writing at home please return the slip below with a cheque (made payable to Dothill Primary School) or cash for £16.50.

Thank you for your continued support.
