Dear Parents/Carers,

We would like to invite you to a Phonics and reading workshop aimed at parents in EYFS and Year 1 on **Thursday 6th February 2020 3:30pm-4:15pm**

Reading is at the heart of all that we do in school so we thought it would be helpful for Parents if we put on a Presentation and Workshop after school. This is so that we can explain how we teach phonics and reading to your children, as well as giving you the opportunity to look at resources, see some demonstrations and ask any questions you may have.

As a school we expect parents to read with their children 4 times per week. We are offering this workshop to support you when your child is reading to you, to give you a basic understanding of how we teach sound recognition, blending and fluency. This should then boost the learning for the children and your reading sessions at home will become a more enjoyable and purposeful experience, with shared understanding of expectations.

We really hope to see you there. You should arrive at the EYFS classroom door for a start time of 3:30.

We are offering a crèche facility for anyone bringing children.

Please return the reply slip below to your child's class teacher so that we can accommodate accordingly.

We look forward to seeing you.
