12 March 2020

Dear Parents/Carers

Coronavirus Update

As I write this letter I am aware from the News that the Cobra Committee are meeting at lunchtime today and the country is likely to move into the 'delay' stage of the outbreak. This could include the decision to close all schools.

At Dothill we want to be as prepared as we can be for this eventuality. For this reason we have sent home a pack of 'homework' with each child which includes links to learning activities on our school website and signposts to other useful educational websites. We have also included an open ended project based on a subject of the teachers' choice that is relevant to current learning in that year group.

This pack is only to be used if the Government decide to close all schools. This could be today, tomorrow, next week or after Easter - we do not know at this point and it is out of our control.

If schools are closed for a length of time then teachers will be keeping their class pages on the Dothill website up to date with fresh activities for children to access throughout this period.

Until you hear officially from me via the school website then you should assume that school remains open for all children and that all events and activities planned will go ahead as normal. As usual, we expect all pupils to attend school unless they are too unwell to come.

I will keep you updated with any information I receive as soon as I am able. Please keep in touch with the school website www.dothillprimary.co.uk as this is the most efficient way of keeping you informed. Thank you for your support.

Best wishes

Becca Butler
