

Dear Parents and Carers

Following on from the government's announcement yesterday, we need to ensure that all of our children that are entitled to a free school meal (benefits related) have a lunch made available to them.

During the lockdown in March a voucher was emailed out; at present these arrangements have not been made by the government. For this reason we are making a packed lunch available to you each day.

Please could you let us know if you would require a packed lunch for your child; this would need to be collected from school by an adult each day at 12:30pm.

Please respond to this message today to let us know if you require a packed lunch and which filling (cheese, ham, tuna or egg) your child/ren would prefer.

If you do not wish to access your free school meal, then please also respond to this message to let us know.

Best wishes

Becca Butler and Nikki Harvey
