

# Year 1 Medium Term Plan

Autumn	Counting	<p>Addition and subtraction To understand the operations of + and -</p> <p>Addition and subtraction Knowledge of operations</p> <p>Addition totals to 20</p>	Geometry - Properties of shape	Addition and subtraction to 20	<p>Counting, ordering and number sense</p> <p>Place value and comparing quantities and numbers</p>	Developing mental strategies for addition	Subtraction as take away & difference (counting on and back)	Measurement	Addition and subtraction using money	Doubles and near doubles
Spring	Counting, reading and writing number patterns	Multiplication & Division Grouping and sharing	Fractions	Measurement	Addition and subtraction to 20	Counting, ordering and number sense	Geometry	<p>Developing mental strategies for addition</p> <p>Subtraction as take away &amp; difference (counting on and back)</p>	Measurement	Multiplication & Division
Summer	Addition and subtraction to 20	Fractions: discrete and continuous wholes	Multiplication & Division Arrays	Measurement (Capacity)	Geometry: position and direction	Counting, ordering and comparison, visualising quantities	Addition and subtraction	Geometry: properties of shapes	Calculation: all four operations	Measurement time and using standard units
