Dear Parents and Carers

Parents' Consultation Meetings will be held week beginning **Monday 29th March**, due to the current situation, discussions will take place via telephone call as they did in the Autumn Term. This will give you the opportunity to talk to your child's class teacher and discuss how they have settled back into school life, for you to share important information and for class teachers to answer any questions you may have.

Parents meeting are very important and give you opportunity to discuss your child's wellbeing, work, attitude to learning, conduct and progress, therefore, we would appreciate all parents to make every effort to make themselves available on the day and time that has been allocated. If you miss your time, class teachers will not be able to call you back later or on another day, as they will be speaking with other parents. Telephone calls will last up to 10 minutes and will need to end in time to ensure all parents are called on their allotted time - we do not want to be calling parents late! It is likely that the call will be from a withheld number, so please do answer.

Please could you reply to this email with the phone number you wish for your child's class teacher to call.

We appreciate your support and co-operation with this and look forward to speaking with you about your child.

Yours Sincerely

Nikki Harvey
Deputy Head Teacher
