Dear Parents and Carers

Parents' Consultation Meetings will be held week beginning **Monday 4th October**. Due to the success last academic year, discussions will continue to take place via telephone call. This will give you the opportunity to talk to your child's class teacher and discuss how they have settled back into school life, for you to share important information, and for class teachers to answer any questions you may have.

Parent meetings are very important and give you opportunity to discuss your child's wellbeing, work, attitude to learning, conduct, and progress. Therefore, we would appreciate all parents to make every effort to make themselves available on the day and time that has been allocated. If you miss your time, class teachers may not be able to call you back later or on another day, as they will be speaking with other parents. Telephone calls will last up to 10 minutes and will take place within the allocated slot that you have been given below. It is likely that the call will be from a withheld number, so please do answer.

Please return the slip below with the phone number you wish for your child's class teacher to call. We appreciate your support and co-operation with this and look forward to speaking with you about your child.
