

Nature Reserve Visit

2M have been invited to plant Bluebell bulbs at Dothill Nature Reserve next Tuesday (29.03.22).

We will spend the morning on the reserve - please could children come to school wearing appropriate clothes and footwear for digging. Please come prepared for all weathers! I would recommend the children wear wellies to school but bring a change of footwear for when we return to school. (They will not need to bring school uniform to change into).

If you could provide a trowel for your child to use that would also be very helpful (don't worry if you don't have one - we have some).

We could also do with a couple of parent helpers too!

If you could help please speak to Mrs Maltby.

Kind Regards

Mrs Maltby
