## Parental Information

I hereby note that my child will:

1. Take part in normal school activities considered to be an integral part of the daily/weekly routine of the school organised to take place outside school premises, including visits and sporting activities at Charlton School.
2. Be registered for universal free school meals whilst they are in EYFS and KS1.
3. Take part in the Government's National Fruit Scheme for 4 – 6 year olds whereby each child is entitled to receive a free piece of fruit/vegetable each school day. This includes apples, pears, bananas, satsumas, tomatoes, strawberries, cucumbers, carrots etc. It is, therefore, essential that you inform us of any allergies your child may have.
4. Be provided with a carton of milk, at least twice per week.
5. Use the internet at school. We use a 'filtered' internet service provided by Telford and Wrekin Council which minimises the chance of pupils encountering undesirable material. We only allow children to use the internet when there is a responsible adult present.
6. Have access to homework sites used by school. For example Bug Club, Oxford Owl, Times Table Rock Stars, Seesaw, RWI, Microsoft Teams, etc. Log in details are provided to parents once the account has been set up.

**I hereby consent** to my child having their name and photo used around school, in videos, on websites and social media sites relating to our school, and in newsletters, so that we can celebrate different events they take part in. Children with some medical needs and/or some SEN needs will also have their name and photo used around school (***delete as necessary***). (If you wish to withdraw your consent, please write to the Head Teacher at Dothill Primary School, Severn Drive, Wellington, Telford, Shropshire, TF1 3JB.)

Please note the school also allows its parents/carers, grandparents and other close family members the privilege of being able to take photographs and/or videos of their children when involved in school performances and events. The privilege is given on the strict understanding that such photographs and/or video recordings are taken for the personal use only of the family as described. You are not permitted to share photos/videos on social media if they have been taken in school and include other people's children.
