

Dothill Friends Creative Competition

The friends would like to have a new logo that is striking, instantly recognisable & most importantly, one that has been designed by the pupils. You may want to include a swan or the school values. The winning design will then be used on all future friends' letters and publicity etc.

How to Enter – Draw your logo in the circle above & hand your design to Mrs Butler on the gate. The closing date for entries is **Friday 6th May**.

Please remember that the logo should be simple and must be easy for us to reproduce. It will be reduced in size so needs to be large & clear. We look forward to receiving your entries!

Name		Class	
------	--	-------	--

This is our current logo
