PE and Sport Premium

The PE and Sport Premium funding Dothill Primary School receive is provided jointly by the Department for Education, the Department for Health and Culture and the Department for Media and Sport.

It has been directly allocated to primary school schools and is ring-fenced, meaning that it can only be spent on the provision of PE and sport in schools. The funding is being provided until 2020.

Funding is provided for primary schools to spend on improving the quality of PE and sport for all their children and compliments the existing School Games programme.

Funding for schools is calculated by the number of pupils on roll as of the annual schools census in January 2018.

Funding has been doubled until August 2019 which entitles Dothill Primary School to £16,000 and an additional payment of £10 per pupil.
