

Year 3/4 Project Home work

For our project homework for this half term, we would like children find out about Iron Age Hill-forts.

Their research could be from books (maybe visit a library) or the internet (see recommended web-sites below), or even visiting a historical site (see list of nearby below).

To present your research, your could:

- Draw a diagram of a hillfort and label it
- Make a 3D model of a hillfort
- Create a Powerpoint to share the facts you have learnt
- Create an educational or 'guided tour' video
- Write about iron age hillforts

Nearby remains of hillforts:

The Wrekin Hillfort, home of the Corovii Tribe

Old Oswestry Hillfort, one of the best preserved in the UK

Nordy Bank, Brown Clee (the highest hill in Shropshire)
