Weekly update **Attendance** **Dazzling Dotties** **Important Dates** **Mental Health** **Reminders**

This week's superstars

Just look at this wonderful lot! These are the children who have been chosen by their teachers for having a fabulous week. We are very proud of them all.

Attendance The class with the highest attendance this week are: Year 4 R/L with an amazing 98.6%

What have we been up to...?

This week the children have all worked so hard across the whole school. So many teachers nominated their classes to be the *Dazzling Dotties* and earn themselves an extra playtime. Some of the reasons given were as follows: *my class has a fantastic 'have a go' attitude, whatever we are working on they apply themselves and try really hard to give their best; Amazing role models during assembly...*

There were many others too, but the winning class who had also impressed me every time I have visited were **Mrs Willoughby's year 4 class**: *I have nominated my class for being fantastic in welcoming our new children to the class and making sure that they're looked after; please may I nominate my class simply because they are awesome! They will win an extra playtime next week.*

Mental Health and Support

Did you know there are 5 simple steps to support positive mental health and wellbeing? Which of these do you already do? Try and do something over the weekend that you enjoy.

Over the next few weeks, we will share examples of what you can do for each step!

Reminders

Please remember children should only be bringing fruit or vegetables as their snack for break time.
