30th January 2025

Dear Parents / Carers - Y4

In June, all children in Year 4 are required to take the multiplication times table check. This is an online check of their times table recall and is designed to identify pupils who may need additional support as they move into Year 5.

To help you understand what this looks like, and to give you some practical tips for how to help your child, we are asking for each child to have a representative parent or carer attend our information evening which will be held on:

Wednesday 5th February at 3:15pm

Please come through your child's classroom door when you come to collect at 3:15. There will be a short presentation to explain the multiplication check requirements and organisation and to offer some advice for how to help at home. Following this, we will have some laptops and iPads set up so you can have a look at how the check works and get an idea of how much support your child will need to be prepared for June.

If no-one from your family can attend, please contact your class teacher and we will try to arrange an alternative time to talk you through it.

Thank you so much for your support,

Mrs Willoughby, Mrs Longland and Ms Horsfall
