Head Teacher: Mrs J Thomas

06 March 2025

Dear Parents and Carers

In Year Two, we are currently learning about healthy foods as part of our Design and Technology unit. As part of our next lesson, we would love for the children to **try some vegetable soups** so that they are able to choose which vegetables they would like to include in their own soup. We will be teaching this during the **week commencing 10th March 2025**.

The foods we will be trying are:

- Potato and leek
- Mushroom
- Vegetable
- Carrot and coriander
- Tomato soup

If you are not happy for your child to take part because of any allergies we are unaware of or you have any questions or queries, please speak to Mrs Renshaw asap.

Yours sincerely

Mrs Renshaw
