

# Year 1 Homework Project—Spring 1

During our science lessons this half term, we will be learning all about animals. We are learning about the 5 animal groups and their characteristics, as well as the difference between wild animals and domestic animals.

For our homework project, we would like children to complete a project based around this topic. It could be:

- a drawing/collage/painting of their favourite animal
- A poster with some facts about their favourite animal
- a photograph of a pet that they have and they can discuss how it is looked after
- An instruction guide of how to look after a pet
- Or another idea of your choice

We look forward to seeing your wonderful creations and will be sharing them as a class during the week commencing 9/02/26.

Weekly Homework:

Read 4 times a week, **to be recorded in your reading record** and signed by an adult.

Numbots

5-10 minutes per day.

(login is in the front cover of your reading record)

**Project due Monday 9th February 2026**

Thank you for supporting your child with their homework,

Mrs Melville
