Barriers to Learning Identified for Dothill Pupils Eligible for Pupil Premium Grant

	school barriers es to be addressed in school)	Desired Outcomes
A	To improve achievement for Year 6 pupils in maths	 ✓ Improved attainment in maths for PPG pupils in Year 6 ✓ 75% of PPG pupils will achieve ARE 11 pupils. (identified above) ✓ PPG pupils will make accelerated progress to meet ARE. ✓ PPG targets are included in teacher appraisal
В	To improve achievement for year 3 pupils in writing and maths	 ✓ To improve attainment in writing and maths for PPG pupils in Year 3 ✓ 70% of PPG pupils will achieve ARE 7 pupils (identified above) ✓ KR JM to achieve exceeding in maths and writing ✓ PPG targets are included in teacher appraisal
С	To improve achievement for year 5 pupils in writing and maths	 ✓ To improve attainment in writing and maths for PPG pupils in Year 5 ✓ 75% of PPG pupils will achieve ARE 6 pupils (identified above) ✓ KE to achieve exceeding in maths and writing ✓ PPG targets are included in teacher appraisal

Ex	ternal barriers	Desired Outcomes
(Iss	ues which may require action outside school)	
D	Social and emotional health and well-being of pupils eligible for PPG improves:	 ✓ Pupils social and emotional needs are addressed through the work of the learning mentor ✓ Learning mentor is able to give on- going strategies for pupils who need additional social/emotional support ✓ Learning mentor liaises regularly with the families of children receiving support with the families

			 ✓ Pupil questionnaire shows pupils to feel safe and happy. ✓ Lesson observations/learning walks show resilient pupils who are willing to try and learn from mistakes ✓ Number of TACs are reduced due to needs being met
Ε	Attendance for PPG pup	ils improves:	 Attendance for PPG pupils continues to improve to be in line with all Dothill pupils The number of PPG pupils who are persistently absent reduces
		End of Year	✓ Attendance for PPG pupils increases from 95.86% to 97%
		18/19	✓ PA for PPG pupils decreases from 2 pupils to 0 pupils CB in 3/4J PM in 3/4T
	Overall Attendance	97.09%	✓ School works closely with families who have issues and are supporting where necessary
	PPG Attendance	95.86%	✓ Parents of PPG pupils feel supported by school through any issues which may affect attendance
	Persistent absence	6 pupils	
		2 PPG	

Planned Exper	nditure 19/20				
Quality of Te	eaching for All				
Identified Barrier	Chosen action/approach	Evidence and rationale for choice (Based on research from Sutton Trust -	How will you ensure it is implemented well?	Staff lead	Review?
To improve achievement for Year 6 pupils (19/20 cohort) in all maths	Lunch time/after school maths club led by maths co-ordinator Immediate feedback Moderation focus on year 6 Planning support from SLT Support package from KB: • X3 maths subject leaders meetings • CPD for staff 30 th Sept. Use of concrete models. • Classroom support x2 • Subject leader meeting to structure new calculation strategy • Review of work completed Purchase and use of x tables rock stars Purchase and use of Test base	Feedback Feedback studies tend to show very high effects on learning Feedback has effects on all types of learning across all age groups learning Feedback should be specific, accurate and clear Meta-cognition and self-regulation strategies (Learning to learn) Teaching approaches which encourage learners to plan, monitor and evaluate their learning have very high potential Collaborative learning A collaborative (or cooperative) learning approach involves pupils working together on activities or learning tasks in a group small enough for everyone to participate on a collective task that has been clearly assigned. Pupils in the group may work on separate tasks contributing to a common overall outcome, or work together on a shared task.	 ✓ Subject leaders are tracking data to ensure impact ✓ SLT are monitoring books and lessons regularly ✓ Quality of teaching is monitored regularly 	Maths co- ordinator and KS2 phase leader then SLT	Every half term
0	Dadward alage eigen in the 2/4	Research shows that reducing class sizes can give	Cost Barrier A	£3576	F., 110
B To improve achievement for year 3 pupils in	Reduced class sizes in year 3/4 for core subjects improving opportunity for Q1st teaching Year 3/4 classes taught	moderate impact for a high cost however, by doing this there are other areas of high impact work that staff are able to address such as:	 ✓ Subject leaders are tracking data to ensure impact ✓ SLT are monitoring 	HM phase leader then SLT	Every half term
writing and maths	separately during the morning x2 year 3 x2 year4	Meta-cognition and self-regulation strategies (Learning to learn)	books and lessons regularly		

	Deputy headteacher to teach on of the year 4 classes Maths support package from KB as above Purchase and use of x tables rock stars Purchase and use of Test base	Teaching approaches which encourage learners to plan, monitor and evaluate their learning have very high potential Feedback Feedback studies tend to show very high effects on learning Feedback has effects on all types of learning across all age groups learning Feedback should be specific, accurate and clear	✓ Quality of teaching is monitored regularly		
			Cost Barrier B	£38220	
C To improve achievement for year 5 pupils in writing and maths	Year 6 teacher (from last year) and assistant HT teaching in year 5 After school maths club/writing club/lunch time-book club. Specific invitations to year 5 aim to broaden vocab to improve reading Maths support package from KB as for A Purchase and use of x tables rock stars Purchase and use of Test base	Meta-cognition and self-regulation strategies (Learning to learn) Teaching approaches which encourage learners to plan, monitor and evaluate their learning have very high potential Feedback Feedback studies tend to show very high effects on learning Feedback has effects on all types of learning across all age groups learning Feedback should be specific, accurate and clear	 ✓ Subject leaders are tracking data to ensure impact ✓ SLT are monitoring books and lessons regularly ✓ Quality of teaching is monitored regularly 	KS2 phase leader and then SLT

Desired Outcome	Chosen action/approach	Evidence and rationale for choice	How will you ensure it is implemented well?	Staff lead	Review?
Social and emotional health and well being of pupils improves	Learning mentor employed to offer interventions to groups and individuals to remove social and emotional barriers to learning ELSA training from EP service Lunchtime structure	Social and emotional needs provide the lower levels of Maslows Hierarchy of needs (Psychological needs). With these needs being met the self-actualisation and therefore learning needs can be addressed. Social and emotional learning SEL have an identifiable and significant impact on attitudes to learning, social relationships in school and attainment itself SEL programmes appear to benefit disadvantaged or low attaining pupils more than other pupils	Detailed records kept by Learning Mentor to evidence baseline and impact. Learning mentor to line manage ELSA TA	Learning mentor	Every 6 weeks

	Access Future in Mind Project to support the mental health and well being of pupils, ensuring learning mentor receives training and skills development More children are able to access educational psychologist when required.	Individualised instruction Individualised instruction involves different tasks for each learner and support at the individual level. It is based on the idea that all learners have different needs, and that therefore an approach that is personally tailored — particularly in terms of the activities that pupils undertake and the pace at which they progress through the curriculum — will be more effective.	ELSA work offered under direction of EP
