

This year we are aiming to develop links with our local/small businesses, in and around the Wellington area. We require donations for our variation on a raffle, -"the stocking line" and this year we are also asking businesses to sponsor a game/stall. If you run your own small business or work for a local business and can donate a voucher or are willing to sponsor a stall please can you send this with your child as their contribution on mufti day (please note this can be instead of wine/chocolate.)

We would welcome help to set up, clear away after or run a stall for an hour (ideally if there are 2 people per stall for an hour slot each this allows all helpers time with going round with their own children too.) Please complete the form below so that we can contact you.

Also, following the success of the more traditional games at this summer's fair, we hope that enough year 6 pupils will be interested in running the Christmas games in pairs. If your child is willing to volunteer for an hour please complete the form below.
