Dear Parents and Carers of Children in Year 6

During May 2020 the children in year 6 will be taking part in their SATs tests. There are revision booklets available to buy which will really help the children to consolidate the learning that is happening in the classroom. The revision books are fun for the children to use and they have been very helpful for children in previous years. Your class teacher will also be able to set homework tasks based on the books to keep you up to date with the topics the children have been learning. We are able to order the CGP workbooks at reduced prices through school, as detailed overleaf.

If you would like to place an order for these books, **please complete and return the reply slip and order form with payment by Wednesday 15th January 2020**. Please make cheques payable to Dothill Primary School. Thank you.

Best wishes

Although all of the booklets are useful, the year six teachers have discussed which ones would be of most benefit, with their classes. The three they have identified are E6FRB21 New English Reading SAT Buster Bundle - Fiction, Non-Fiction and Poetry; EMXB23 The Complete KS2 Maths and English 10-Minute Test SAT Buster Book 1 Bundle and one of the Maths Targeted Books. The most suitable maths book for your child will be identified by their year 6 teacher in class.

Please indicate below the book(s) you would like to order. Thank you.
